Buzzards Bay Day

Buzzards Bay Day came complete with appropriate weather as cream puff fair weather clouds role in formation over our beautiful blue water background. A tent enclosed an exhibit area at Shipyard Park, visited by local interested people.

Susan R. Moor, one of the regional coordinators, explained the purpose of the exhibit, which is to increase the awareness of the people of Massachusetts in our bay and to formulate interest in locating a park or preserve in major coastal areas. Lo-

cally, this office is now engaged in a proposed acquisition of the eastern shore of West Island in Fairhaven. This island is unique in that it is available by automobile by means of a causeway. The east shore is unspoiled since it is relatively remote because of the happy accident that large marsh areas separate the beach from the land mass of the island which contains much wetland. The outlook from this side of the island is spectacular since it is

future. She said that the Commonwealth has gradually changed the focus of its purpose. The State originally made huge parking areas at state public beaches such as Horseneck Beach where the magnificent dunes were bulldozed and the sand removed to create parking in order to attract the maximum number of people to the beach to enjoy the facility. Large permanent buildings were constructed to serve the influx of people. Over the years, the thinking has changed. Now, she explained, the emphasis is divided so that the original beauty of the area is preserved so that birds and animals as well as people can enjoy the habitat in its most unspoiled state. Parking areas will be of

crushed stone rather than asphalt and dunes will be protected by walkways and buildings will be portable so they will not permanently mar a location. She said that due to the growing influx of people it may not be possible to park cars directly at the site but, rather, use shuttle service to move people from existing seasonal lots such as school parking to the park, beach or point of interest (as is already being done in the National Seashore areas such as Nauset). In this way, beautiful natural areas can be preserved and more people will be able to enjoy them.

It is a most welcome thing to hear that beach and shore tracts will be saved in order that future

Chief's Report on Cruiser Fire

MATTAPOISETT SELECTMEN'S MEETING
JUNE 7, 1988-by VIRGINIA MORGAN

Police Chief James F. Moran reported to Selectmen last Tuesday on the cruiser fire that occurred at 11:30 p.m. June 5th in front of the police station. He said the 1987 car was

a total loss.

The Chief said Officer Robert D. Boivin had entered the station and left the cruiser parked with the motor shut off for about 15 minutes while he was making a report. When he came out of the station, the cruiser was smoking and the inside was engulfed in smoke. Officer Boivin then called the Fire Department and by the time they responded the cruiser was engulfed in flames.

The Chief explained Officer Boivin reported the radio and all other equipment was in working order before the fire; nothing unusual happened to cause the fire.

The Plymouth County Fire Marshal inspected the cruiser inside and determined the cause was due to an electrical fire under the dashboard.

just for the cruiser. This doesn't
cover the radio and other optional
equipment, which is estimated at a
\$6,000 loss. He noted some of the
equipment attached to the cruiser may
be covered and this will be checked
by the insurance company who will
give him a report.

Selectmen endorsed the earlier
permission Chairman William F. Hub-
bard had given to the Chief on the
night of the fire to rent a car (un-
marked) because of the heavy workload
the Police Department is experienc-
ing at the present time.

The Chief said a new 1988 cruiser
would cost \$13,000 base price, with
optional equipment bringing the total
to around \$19,000. For an emergency
order, the Chief said they could
get delivery in a day and a half.

Chairman Hubbard asked about possi-
bly buying back the cruiser as sal-
vage for parts. The Chief explained
he had spoken to Town Mechanic John
Bowman who urged him to try to buy

Chief Moran said a similar fire oc-
curred about a year ago to a cruiser
in Rochester. In the Chief's opinion
there was an overload on the elec-
trical system.

The insurance company gave the
Chief a figure of \$8,500 coverage

Rich Scatore, Manager

Donald Wood, regarding work procedures at the wharf.

Chairman Hubbard said there has been some controversy regarding the stone blocks placed on the Barstow Wharf by the highway department. He noted it was voted at the annual town meeting to allow the Highway Surveyor to place the stones, following Mr. Bowman's offer. "We don't understand why the problem and giving Mr. Bowman such a hard time", Chairman Hubbard said.

The Harbormaster explained he doesn't feel this is the best way to put the stone blocks down as they hinder owners getting to their skiffs; also they don't look nice. There are 32 skiff slips there, and now that the end of the pier is locked with a chain, "I cannot attend to any problems there, as I don't have a key."

A second controversy concerned the 1000 gallon steel gas fuel tanks on Long Wharf owned by Brownell. Selectmen had wanted to have them removed because the town has no liability insurance to cover any spillage at the wharf. However, a check with

Engineer Robert A. Cattley determined it would be safer to drain the tanks and fill them with concrete, as the law allows. Otherwise, there could be serious structural damage done to the wharf. The work will be

Harbormaster Mach explained nothing was told to him and he was under the impression the tanks were going to be removed until he heard differently at a local restaurant. "It is embarrassing when I don't know what is going on at the wharf; I feel like a fool." Mr. Mach said he had spoken to the State DEQE and the fire marshal and was advised the tanks should be removed. If anything leaks

it will be the town's responsibility.

Chairman Hubbard told him he will have to take that matter up with Fire Chief Wood who obtained Cattley's report to fill the tanks with concrete. The Chairman apologized for not notifying Mach, but said it was an emergency as the town is not insured for a leak in the tanks. He did feel that the Harbormaster should come to the Board first with any problem. Mr. Mach requested that he be notified of any meeting when anyone wants to do anything on the wharf. "If that had been done, it would have eliminated all these problems."

On another matter, the Harbormaster reported he has \$3,000 left in his wharf restoration budget. He plans to continue checking channel markers, numbering moorings and electrical work.

All-day parking at the wharf was discussed with Selectmen recommending placing limited-parking signs. Also, the fee charged for non-residents working on boats at dry dock will be reviewed when Selectmen set

GAVE APPROVAL to Highway Surveyor Wesley Bowman to purchase from a private party a 1980 small truck with 36,000 miles at a cost of \$3,000. The request will go to the Finance Committee for information on a major purchase even though the funds will come from the Highway Department's present budget.

The surveyor noted there is some front end damage which can be repaired. Town Mechanic John Bowman said the truck is mechanically sound. "This is the size truck we need for small jobs we are presently using a large truck for," said Mr. Bowman.

RECEIVED a LETTER from Selectman John N. DeCosta, Chairman of the Memorial Day Committee, thanking the Board for taking part in the Memorial Day exercises and parade.

A.J. Silva, III, named Assessor

In a special session of the Board of Selectmen and the Board of Assessors last Thursday, Antonio J. Silva III of 49 Acushnet Road was named Assessor to fill the vacancy caused by the resignation of Bruce E. Rocha. The vote was unanimous by both boards. Mr. Silva's term will run until the next annual town election.

No other applications were received to fill the office.

Mr. Silva is a Commercial Lending Officer for the Bank of Boston (New Bedford), and holds a corporate title of Assistant Vice President. He has been in the bank's employ for the past nine years, having served several different roles in the organization including managing a branch office. Previous to this, Mr. Silva was em-

played six years as a branch manager of a nationwide financial services company.

Married with one child, Mr. Silva grew up in Fairhaven and went through that town's school system. He attended SMU and recently graduated from the New England School of Banking at Williams College. Presently, Mr. Silva is Treasurer of the Fairhaven Rotary Club and sits on the Boards of the Knights of Columbus and the Cushing Cemetery Corporation in Mattapoisett. He has for the past two years coached soccer for the town's youth in the Mariner Soccer League and formerly was Chairman of the Fairhaven/Acushnet Council of the New Bedford Area Chamber of Commerce.

Mr. Silva writes, "I feel that with my background in banking and more specifically in corporate lending (which includes real estate financing), I could be an asset to this board. This appointment would also give me the opportunity to be of service to the community that my family and I enjoy residing in."

JUNE 21 - OVERRIDE QUESTIONS

On Tuesday, June 21st, voters will go to the polls in Mattapoisett to complete the 20 override questions passed at the May Annual Town Meeting. A majority vote is needed. A total of \$2,711,018 is being sought.

For the first time since Proposition 2½ has been in effect, the Town has to consider an override for the purpose of funding the town operating budget for the fiscal year beginning July 1st.

Question number 1 asks for \$625, \$625,807.60 to fund the operating budget. The 20 articles will be placed on the ballot in the same sequence as were the articles in the annual warrant.

On page 39 of this issue of Presto you will find a summary sheet of override ballot questions. You can save time at the polls by

Marion Selectmen's Meeting

JUNE 7, 1988-by EUNICE MANDUGA

A community service of the League of Women Voters.

Marion Harbormaster George Jennings appeared before the Selectmen to present a letter of resignation from Assistant Harbormaster Caton. The letter cited personal reasons for the resignation effective immediately. The Selectmen will advertise for a replacement and regretted that this should happen at the beginning of a very busy season. Mention was made that Harbormaster Jennings has saved the town much money by installing the extra equipment on the new patrol boat himself. The job is

Mr. Beckford of Beckcraft Motors across from Tropical Tea on Wareham Road appeared to question what he could do to expedite matters concerning a Class II license which he applied for several months ago. Mr. Beckford stated that he was applying for permission to display up to six vehicles for sale on his lot. The Zoning Board of Appeals has requested Mr. Beckford to present a plan outlining the buildings on his lot and the area to be used as a display area. The Selectmen voted to grant the permission subject to approval by Z.B.A.

Charles Duane and Ann Daly appeared to voice their concerns about the dangerous situation which exists at the corner of Converse Road and Olde Knoll Road when children are waiting for the bus. Mrs. Daley stated that there are more than 22 children on Olde Knoll Road and there is no off-road area for them to wait for the bus. gather at the end of that private road onto Converse Road. Selectman Schaefer stated that there will always be parents who drop off their children and leave them on their own and it will probably depend on other concerned parents to keep an eye on them. Mr. Duane offered to supply signs warning motorists of the bus stop. Selectman Hoagland suggested a stop sign on Converse Road at Olde Knoll Road but Chief Scott said that would not be permitted because it would cause more dangerous conditions and it would not be legal because Converse Road is a through street. He agreed that traffic frequently travels too fast on the road and his men have been spending time there ticketing speeders. He agreed to meet with Mrs. Daly and Mr. Duane at his office to explore possible solutions to the problem.

Mrs. Ann Washburn of the Cemetery Commissioners reported that the shrubbery plantings in the cemeteries are badly overgrown with some graves seriously crowded by plantings of adjacent plots. She was advised that the Commissioners should send out a notice to all concerned allowing 30 days for plant-

After a question from Abelio Rodrigues, Mrs. Washburn requested a financial statement from Ray Pickles listing money in accounts of all town cemeteries.

Chief Scott, Carl Gomes, Abel Rodrigues and Ron Barrows met with Selectmen to finalize plans for the St. Anthony Festival on June 12th. Point Road will be closed to through traffic from Route 6 to Rivers Edge from noon to 5 p.m. A duty officer will be on hand to control traffic and direct vehicles to parking areas o.k.'d by local residents. The Selectmen voted a one-day alcoholic beverage permit although there will not be any alcoholic beverages made available to participants. Mr. Pickles suggested that the Committee should protect themselves in case anyone brought in alcohol from outside or arrived drunk and caused trouble. In order for the Committee to buy insurance coverage for the

one day they must have a one-day alcoholic beverage permit issued by the Town. Mr. Rodrigues paid the required \$275. for the one-day insurance and invited the Selectmen to

her in her new position. The Conference is to be held on June 20th, but, because her office is so short-staffed, she requested help from the Selectmen to provide coverage for her office. Former staff members will be invited to fill in and Girl Friday help will be considered. Mrs. Westergard also informed the Selectmen that Accountant Karen Lopes has requested assistance for her data entry two afternoons a week. There is the possibility of a student from Old Colony Voke-Tech being available.

Mr. Pickles gave the report from Rob Zora, D.P.W. Superintendent. The flushing program continues on Delano Road. The temporary posts and lines at Island Wharf have been installed and officials will determine if the design results are acceptable. July 4th is the first concert of the season. The D.P.W. has received permission from the state to install a temporary roadway into the Perry Hill well site. Benches built by Upper Cape Voke-Teach have been installed on Island Wharf and Selectman Schaefer suggested that an appropriate thank you be sent to the school. all proposals came in over the appropriation. The Marine Resources Commission reported that constructing a granite face would cost \$445,000, and a combination cement and steel surround was well over \$180,000. The appropriation voted at Town Meeting was \$125,000.

There will be no Selectmen's meeting scheduled for August 16th.

The Fire Engineers requested that a fee schedule be set up for repeat offenders who are responsible for false alarms. These are primarily caused by defective automatic alarm systems and are very costly to the Marion Fire Department.

Any Committee or Commission members who are not sure if they are operating with any conflict of interest are reminded of the seriousness of the matter and advised to check with Town Counsel for a ruling.

known local resident who participated in an exemplary series of community services and general good fellowship activities. He did this in a quiet but very meaningful way before his tragic and untimely death. In honor of the spirit of his life of service, it has been the custom to end each Men's Fellowship year with a community service and fellowship award to a person in one of our communities who has exemplified Joe's legacy of quiet and selfless service to others outside his business or profession.

The Men's Fellowship offers all men of the tri-town area an opportunity for friendly association with no obligation to participate in service or religious projects. Breakfasts are prepared in turn by members. Donation is \$2.50. The breakfast is at 8:30 a.m. (early bird coffee at 8:15).

On Friday, June 3rd, 75 students from Old Hammondtown School, accompanied by fourth grade teachers Mrs. Nancy S. Blanchette, M. Gloria Homer and Mrs. Sue Ellen Scully, were given a tour of the Town Hall by Selectman John N. DeCosta.

This Tuesday, Selectman DeCosta made available letters from the students written to thank the Selectman for the tour. Some of the many letters include these from:

Ellyn Gallant: I especially liked the Council of Aging because you help the senior citizens. I also liked the Town Clerk

TOWN PLANNER

KEY TO FUTURE OF MATTAPOISETT

Voters in the June 21st ballot in Mattapoisett by voting in favor of the proposed Town Planner will be showing approval of a managed approach to the future development of Mattapoisett. Although needs of the Town have been well served by the dedicated volunteer and part-time work of the many Boards, the time has now come for full-time professional skill in the complex development issues facing the Town.

A good case in point is the present proposal for a major condominium development off Park Street, known as "The Beacon". This development has impact on water supply, sewer capacity, school system, traffic, fire and police protection - just to name a few. The Town boards will have to go to outside sources for help in evaluating these questions. If a Town Planner were available, not only would his professional advice be used, but he would likely be able to obtain planning, engineering and con-

struction grants for the facilities required.

In the first year, the Town share of cost for a Planner will be \$20,000 because of a State grant which pays

approximately half the cost. A Planner will likely more than pay his own way by reducing outside consulting fees and by obtaining additional grants from other funding agencies.

It is time for the Town to plan its own future and favorable action on the proposal for a Town Planner is the first step.

TO THE EDITOR

On Tuesday, June 21, the position of a permanent part-time Director for the Council on Aging, calling for an appropriation of \$7,000.00, will be voted on at a Special Town Election for final approval, along with other 2½ overrides.

With more than 25% of the permanent population of Mattapoisett in the senior category (age 59 or over), providing coordination for the many services, ranging from commodity distributions, to meals, both at the nutri-site and home delivery (MEALS ON WHEELS) for seniors who cannot leave their homes for various reasons, to answering questions about benefit programs, has become more than the volunteers alone can handle, as dedicated as they are. If Mattapoisett is to continue having effective programs for its seniors, it is essential to have a part-time director.

The Council on Aging urges those

LETTER TO THE EDITOR

I can only ask that you imagine yourself in my position. Imagine you are raising two small children, trying to be as conscientious as possible about safety and nutrition. Now imagine yourself being informed (on July 6, 1987) that your water contains a suspected carcinogen.

Absorbed through the skin by bathing, into the respiratory system by breathing steam, and obviously by drinking, the contaminant (tetra-chloro-ethylene) is inescapable. You find little comfort in the theory that small amounts will probably not harm you (or your infants). Now imagine yourself receiving a water bill!!!

You are outraged because your house

LETTER TO THE EDITOR MARSHLAND PRESERVATION URGED

Mattapoisett is fortunate to still enjoy scenic coastal harbors, marshes and estuaries inhabited by a variety of precious wildlife. I am unconvinced that the proposed constructing of a 350 foot walkway into Mattapoisett Harbor near the Town Landing will not have a detrimental effect on the fragile ecological balance of the surrounding marshland area, birds and other wildlife.

Life's more fun without bifocals.

For natural vision, without lines, wear Sola VIP lenses.

A morning on the court... a night on the town. Life's best moments look better in VIP™ lenses. You get clear vision at all distances, just like with ordinary bifocals.

But there are no ugly lines or annoying "jumpiness" to spoil your fun.

With VIPs the world looks more natural—and so do you.

Stop in and try them today.

Being a sincere environmentalist, I am very attentive to the need for conscientious preservation of valuable and irreplaceable shoreline still remaining in Mattapoisett. In the best interest of conserving the natural beauty, untampered state of the marsh, and to ensure wildlife preservation, it is my recommendation that the owners of the property reconsider any further expansion on that location.

Veterans' Up-Date

From your Massachusetts Office of Veterans' Services: Now that we can see an effort being made on the Federal Level to up-date the New Bedford VA Out-Patient Clinic to where it can take care of everything except emergency care, it becomes our job to ensure that it is going on a full-time status.

To do that, we (Veterans' Services) are making every effort to encourage all veterans who are seeking VA care in any form to use the New Bedford Clinic in the Federal Building as their first contact.

The clinic is now fully staffed and is computer linked to the VA

O.R.R. Graduation

Graduation exercises at Old Rochester Regional High School were held on Saturday, June 3rd.

Heather M. Smith, daughter of Mr. and Mrs. Chester S. Smith of Marion, is the Valedictorian for the Class of 1988.

Heather has been active in the National Honor Society, Yearbook Staff, Student Council, Executive Board, and the PaintORR Committee. She has received awards of excellence in Honors French, Honors English, Honors U.S. History and received the Charles R. Washburn Memorial Award. Heather will be attending Boston College in the Fall.

Among the graduates was Juan Migel Pina from Spain, this year's AFS student. The Spanish flag was presented and the Spanish National Anthem was played when Juan received his honorary diploma.

Flags for the graduate procession were carried by Todd D. Regan, Leah M. Wisniewski and Paul A. Rodrigues. Graduation aide was Deanne W. Johanson.

ORR Girls' Tennis

NUMBER 1 IN CONFERENCE

Old Rochester Girls' Tennis Team finished first in the South Coast Conference League. The team's league record 12-1 qualified them for the state tournament. The Bulldogs suffered their only loss against Apponet on opening day, 3-2.

The number one position was held by freshman Sarah Corkum, who was an S.C.C. all-star team selection. Christina Byron, also a member of the S.C.C. team, played second singles suffering no losses and an impressive win over Dennis-Yarmouth. Both players won their opening round matches of the state tournament. In third singles, senior Karen Whittemore added strength to the single line-up.

Fairhaven Homecoming Fair

SPONSORED BY IMPROVEMENT ASSOC.

Fairhaven's popular Homecoming Fair, located in the town's historic center, is scheduled this year for Saturday, June 25th, opening at 10 a.m. and continuing until 5 p.m. There is no rain date. In the colorful atmosphere provided by some of the town's historic buildings and church lawns and tall trees, local and out-of-town craftsmen and women will exhibit their work and church groups and other non-profit organizations will sell a variety of food items.

Since announcement of the 13th annual fair, the response has been overwhelming, according to Martha McAfee. Mrs. McAfee and her husband, William, are co-chairpersons of the annual event which is sponsored by the Fairhaven Improvement Association.

"The committee has had to reject a large number of out-of-town crafters," Mrs. McAfee said. "We regret this had to be done and would like these crafters to know that they will be retained on the mailing list for the future."

She explained that Fairhaven residents and organizations are always

ST. JUDE'S NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.

Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank you St. Jude J.M.H.

given priority and that there are quite a few more crafters this year than usual. Out-of-town exhibitors are selected for originality and variety of their work.

"The committee appreciated that there are so many non-resident applicants; but unfortunately there are just not enough spaces to accommodate everyone."

Entertainment features will offer something for everyone. For children, special features on the Unitarian Memorial Church lawn will include performances throughout the day by Henry James and his puppets.

On the Town Hall steps there will be TLC, country, bluegrass and Irish music; Joan Akin, folk music; the Sea Shell Steppers in a square dance demonstration; Jan Vinci, traditional; The Stetsonnaires, chorus, and a Dixieland band provided by Local 214, American Federation of Musicians.

From 7 to 10 a.m. Boy Scout Troop 55 will provide a pancake breakfast on the Harrop Center porch. A wide variety of foods will be sold at the fair throughout the day.

Schedule of events is as follows: 10-10:30 a.m., opening ceremonies on Town Hall steps; 10:05-10:30 a.m., TLC; 10:30-11, Joan Akin; 11-11:30,

BODY WRAPS HAVE CHANGED! Old body wraps consisted of
a solution of oils held to the skin by a cellophane wrap. This
caused perspiration and loss of fluids. Once fluids were re-
placed, the inches lost came back. Our new wraps are elastic
cotton wraps soaked in an all-natural solution of minerals and
vitamins. Inch loss is permanent if you follow our program.
And if you don't lose at least 4 inches on your first wrap,
your second wrap is FREE! Call for an appointment.

Presented as part of the USTrust Festival, this is the Pittsburgh Symphony's third summer season at Great Woods. For four weeks beginning July 13th the Pittsburgh Symphony presents a selection of diverse, interesting programming ranging from opera arias to jazz classics. The program for the evening of July 14th will include the works of Dahl - "Hymn", Copland - "Appalachian Spring" and Brahms - "Piano Concerto No. 2", featuring the world-renowned soloist Horacio Gutierrez, of whom The London Times commented, "His virtuosity is of the kind of which legends are made."

The Zeiterion Theatre is located at 684 Purchase Street in historic, downtown New Bedford. Great Woods is located in Mansfield just off Interstate 495.

Lloyd Center: Coastal Studies

The Lloyd Center for Environmental Studies and the University of Rhode Island are proud to announce a credit course for teachers and youth leaders entitled "Methods of Teaching Coastal Ecology" which will be offered from June 27 - July 1. This course, which can be taken for no credit, 2 or 3 graduate credits from the University, will provide in-depth background information about the coastal zone in combination with hands-on experiences in teaching about the coast. Registration is through the Lloyd Center and additional information is available: 990-0505.

How to teach about salt marshes, beaches, dunes, estuaries, tide pools and rocky shores are just some of the subjects which will be covered in this course. Each day the program will include instruction in the forces which shape our coast, the animal and plant life found there and the interrelationships between animals, plants and the non-living world of the marine environments. Three of the days of classes will be held at the Sachusset National Wildlife Refuge; the other two days will be at the Lloyd Center.

The course has been offered in past years and teachers from all grade levels have found it specially beneficial in preparing for teaching in the classroom in addition to preparing for field studies. The instructors of the course, Lloyd Center Executive Director Dr. Alan Lee Hankin and Senior Instructor Amy Dyer, teach about and have available examples of

Women's Golf

After several weeks of cold, rainy Wednesdays, The Little Harbor WGA enjoyed a beautiful June day when they had The Holly Ridge WGA as their guests on Wednesday, the 8th. Ninety-six women played a four-ball, best-ball tournament. On hole number 6, Wendy Forbes had the longest drive for Little Harbor, while Cathy Pavlis had the longest drive for Holly Ridge. Lena Childs was closest to the pin on hole number 2 for Holly Ridge and Jane Vernas was closest for Little Harbor.

Three teams tied for first place. The three teams consisted of Donna Jones, Carol Martin, Elsie Wade, Dot Bush and Irene Holley on one team; Beverly Reidy, Ann Shea, Mary Doherty, Enis Nolan, and Martha Besse on another team, along with the team of Sue Carmichael, Olga Bates, Judy Burch, Jan O'Pezio and Jean Shaw. There was a four-way tie for second place and they were the team of Dot Lazarus, Bridie Ryan, Claudia Pendergast, Helga Meikan and Betsy Grassi; the team of Cathy Pavlis,

in Sherman, Pennsylvania, asked members of his congregation to provide country vacations for low income children from New York City tenements. Sixty children were welcomed into the homes of volunteer host families. This was the beginning of The Fresh Air Fund tradition. By 1884 Reverend Parsons was writing about the Fund for New York's Herald Tribune, and the number of children served grew enormously.

The Fresh Air Fund is an independent, non-profit agency and since 1877 has provided more than 1.6 million New York City children free summer vacations. The Fresh Air Children are enrolled by 50 participating social organizations such as community centers, police precincts, and church-based programs. The children receive medical check-ups and are boys and girls 6 to 12 years of age.

Fresh Air Fund volunteer host families open their hearts and their homes to the children for two weeks in the summer. There are no financial requirements for hosting a Fresh Air Child. The host family will be asked to fill out an application and to have a home interview done at which time the host family can request the age and sex of the Fresh Air child.
